5. (Unclassified - OLC) Mr. Burris, Bureau of the Budget, called concerning draft legislation which the FCC is proposing to conform the Communications Act to the convention for safety at sea. Mr. Burris outlined the essential parts of the legislation which would not appear to affect the Agency. However, Mr. Burris is sending us a copy of their request for views on an informal basis. We will not be obliged to reply but may do so if there are items of interest. This will be forwarded to Comms.
